What are cookies?

Cookies are small text files that are used to store small pieces of information. The cookies are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make the website more secure, provide better user experience, understand how the website performs and analyse where it needs improvement.

How do we use cookies?

As with most online services, our website uses first-party and third-party cookies for a number of purposes. The first-party cookies are necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our websites are used mainly for understanding how the website performs and how you interact with our website. They keep our services secure, provide advertisements that are relevant to you, provide you with a better and improved user experience and help to speed up your future interactions with our website.
