This is the set of HOME. This is what you will see when you enter the theatre.

HOME is a story with music and words.

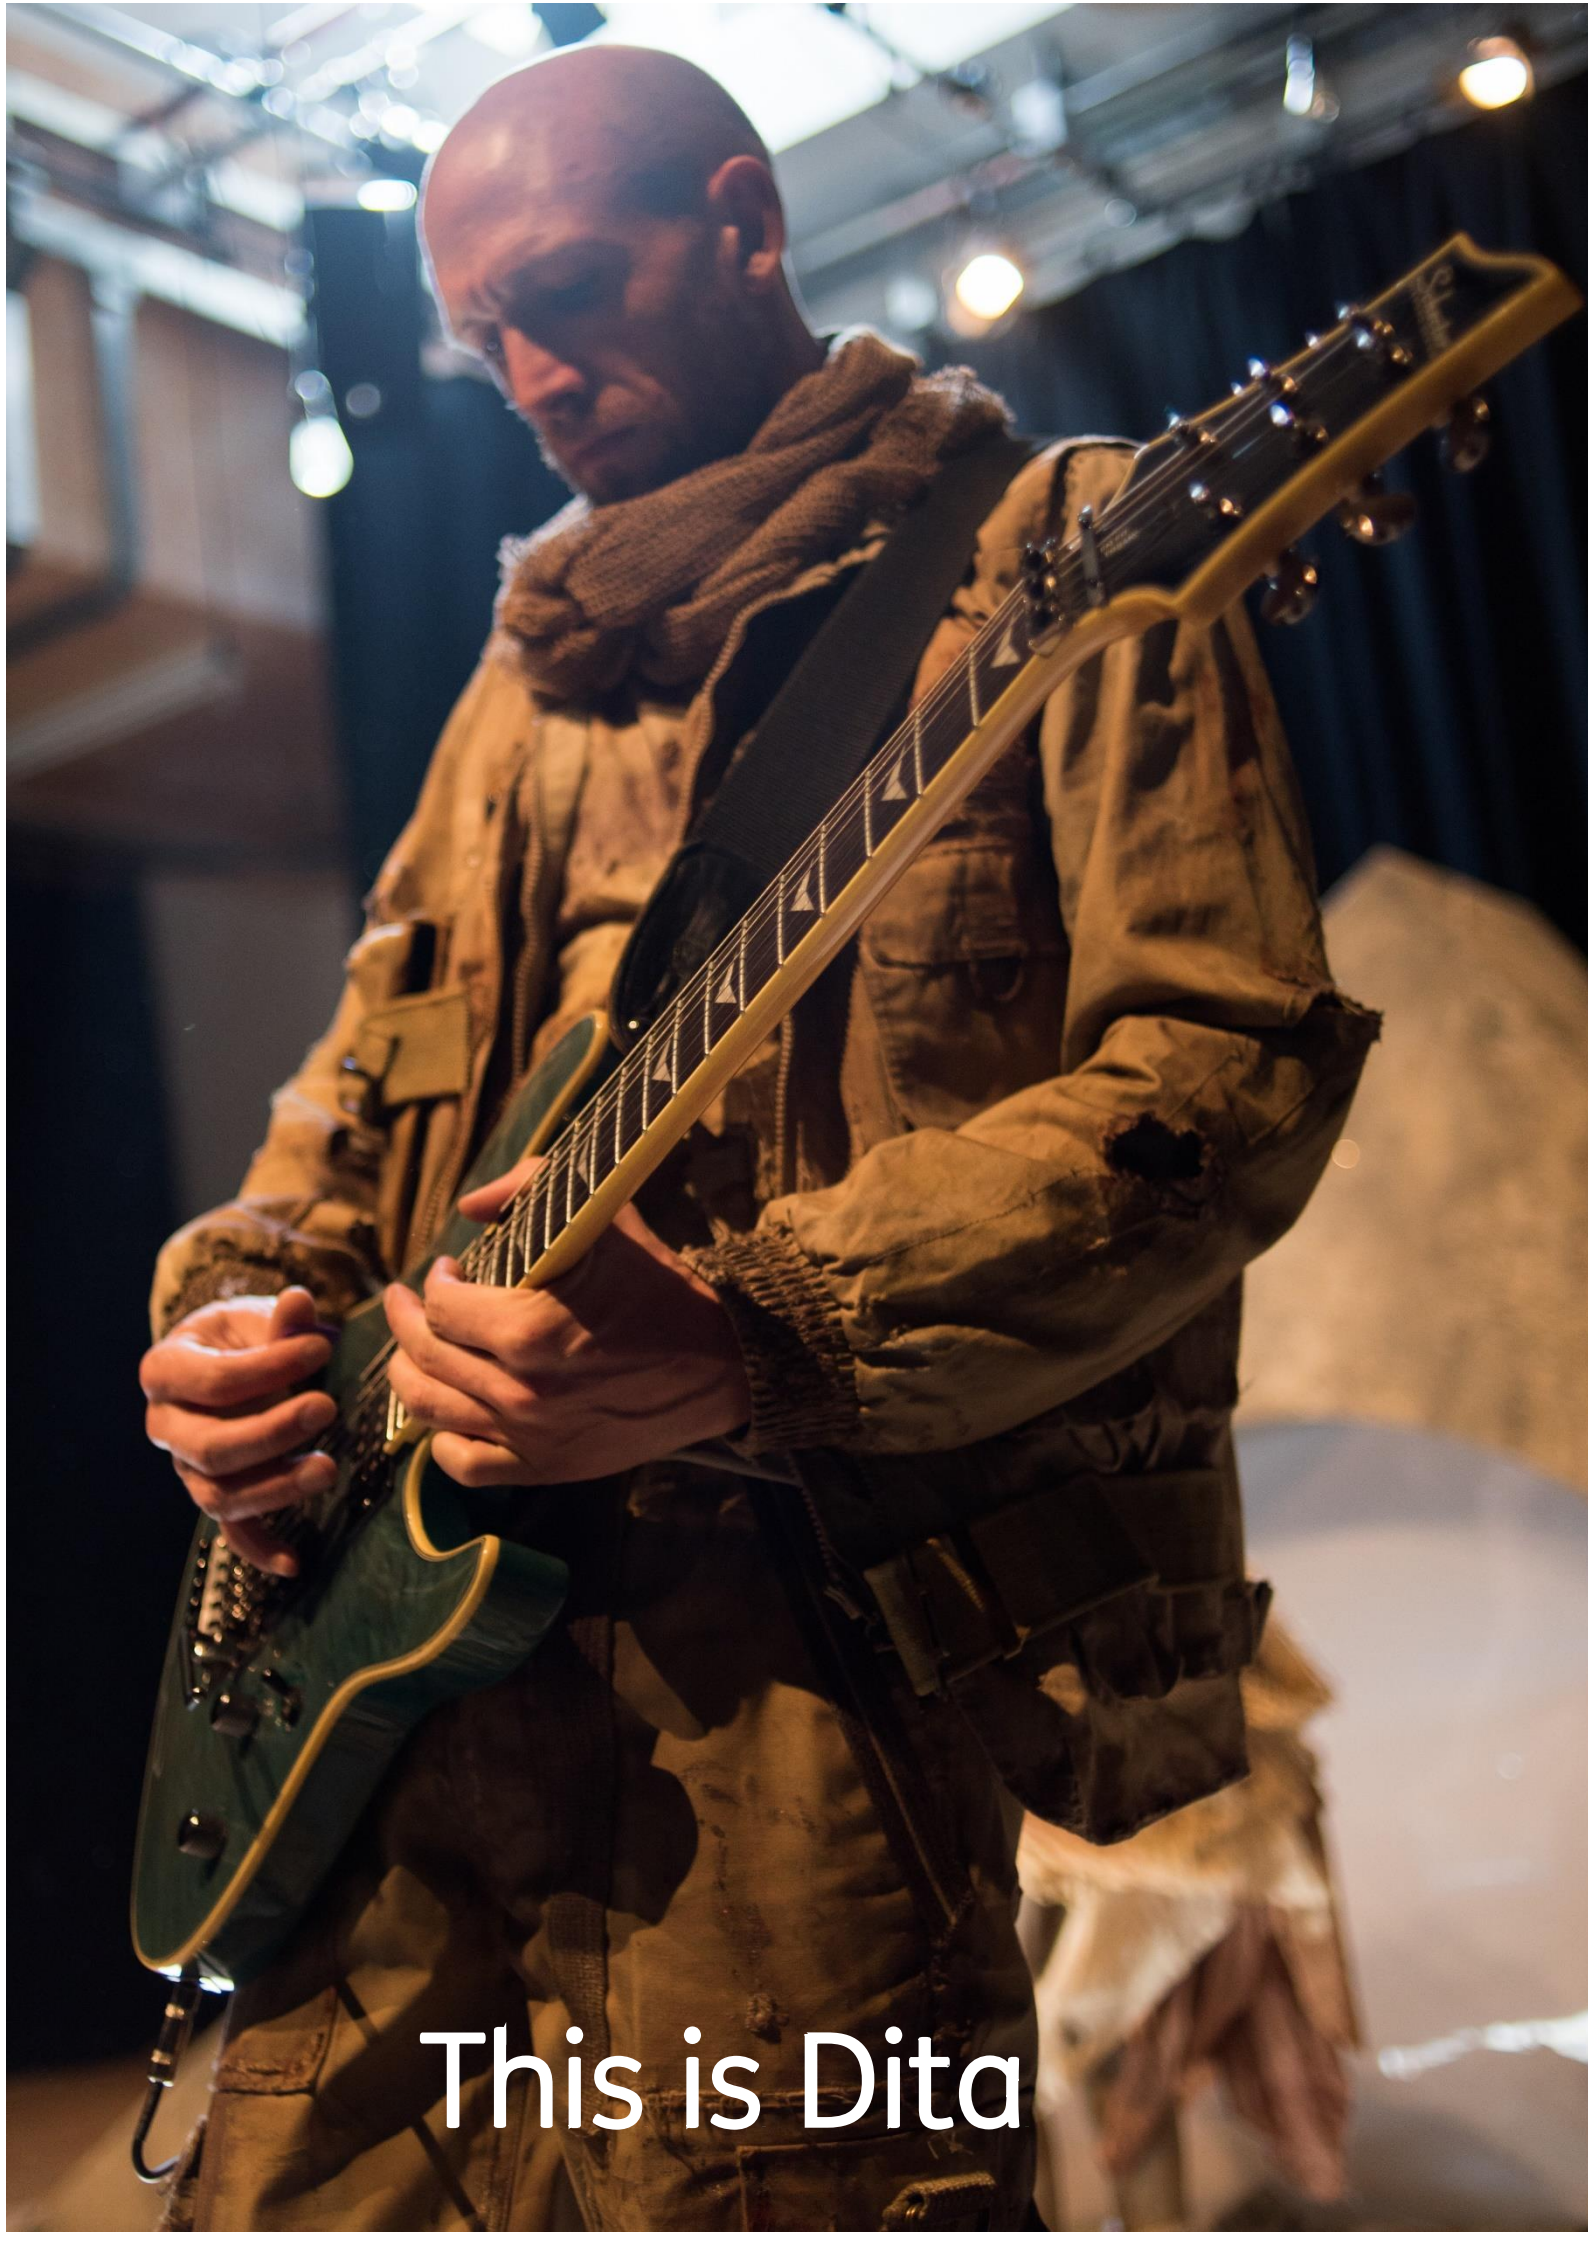

Inside the theatre you will meet three characters.

**This is Scarlet**

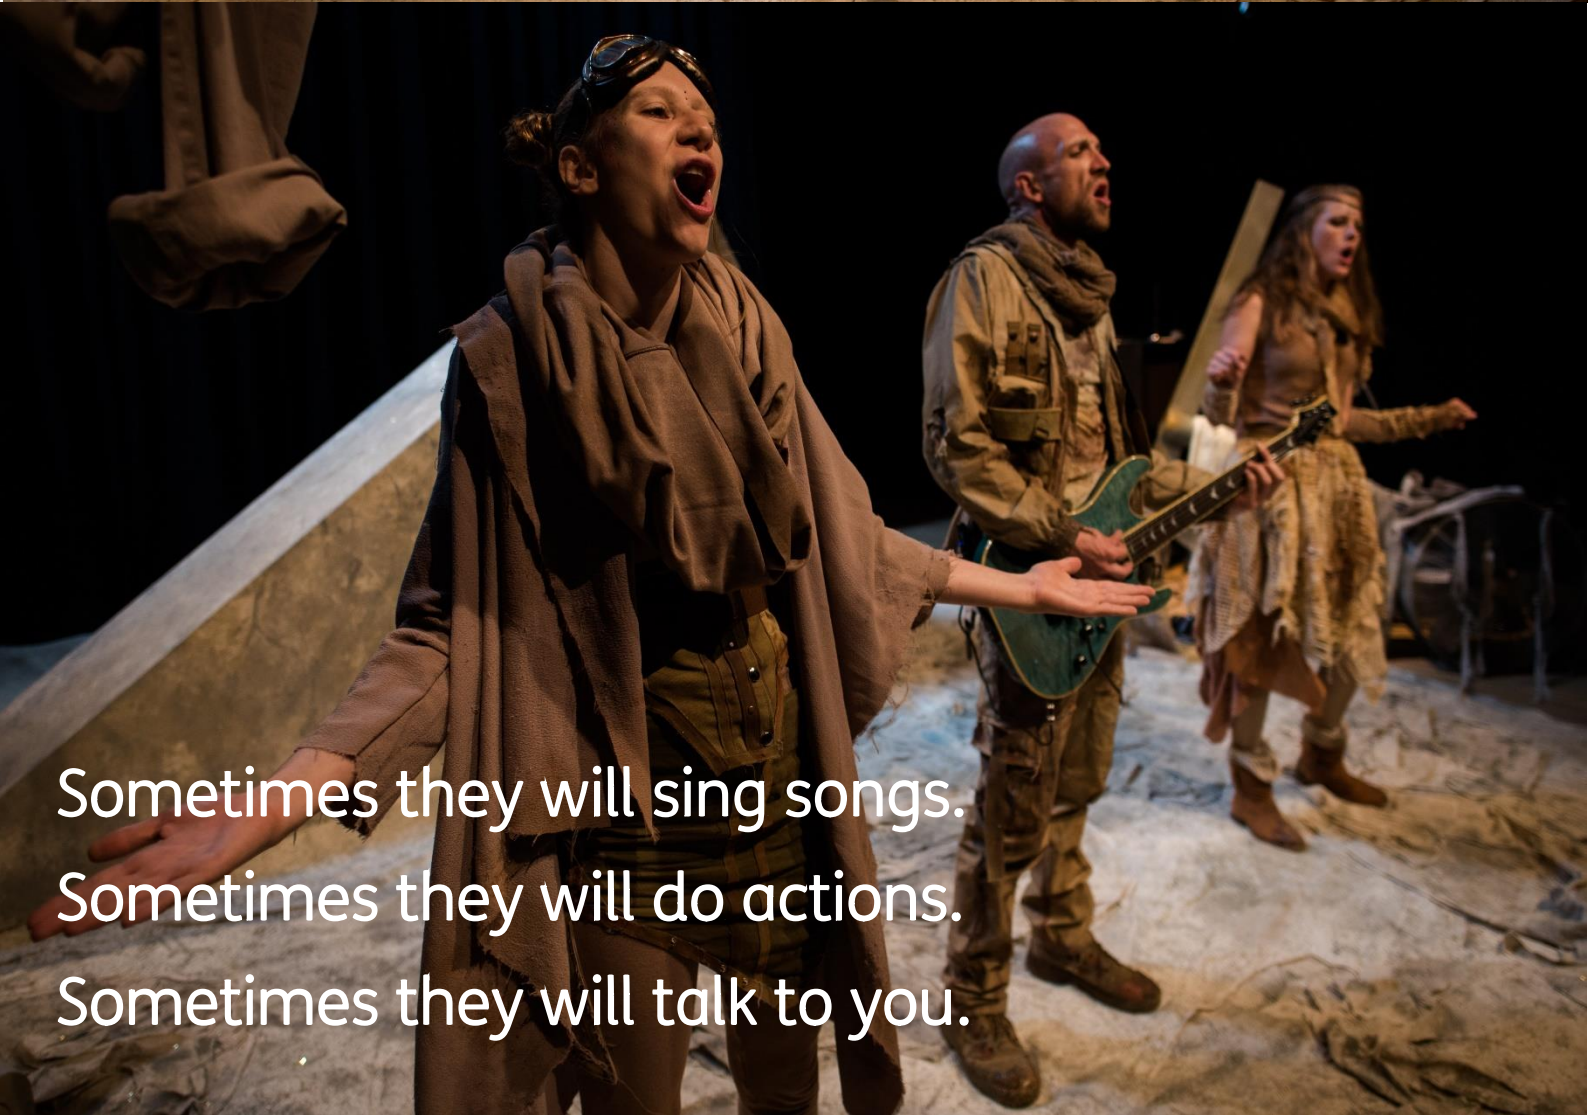

This is Olive

This is Dita

These are the three characters in the show.

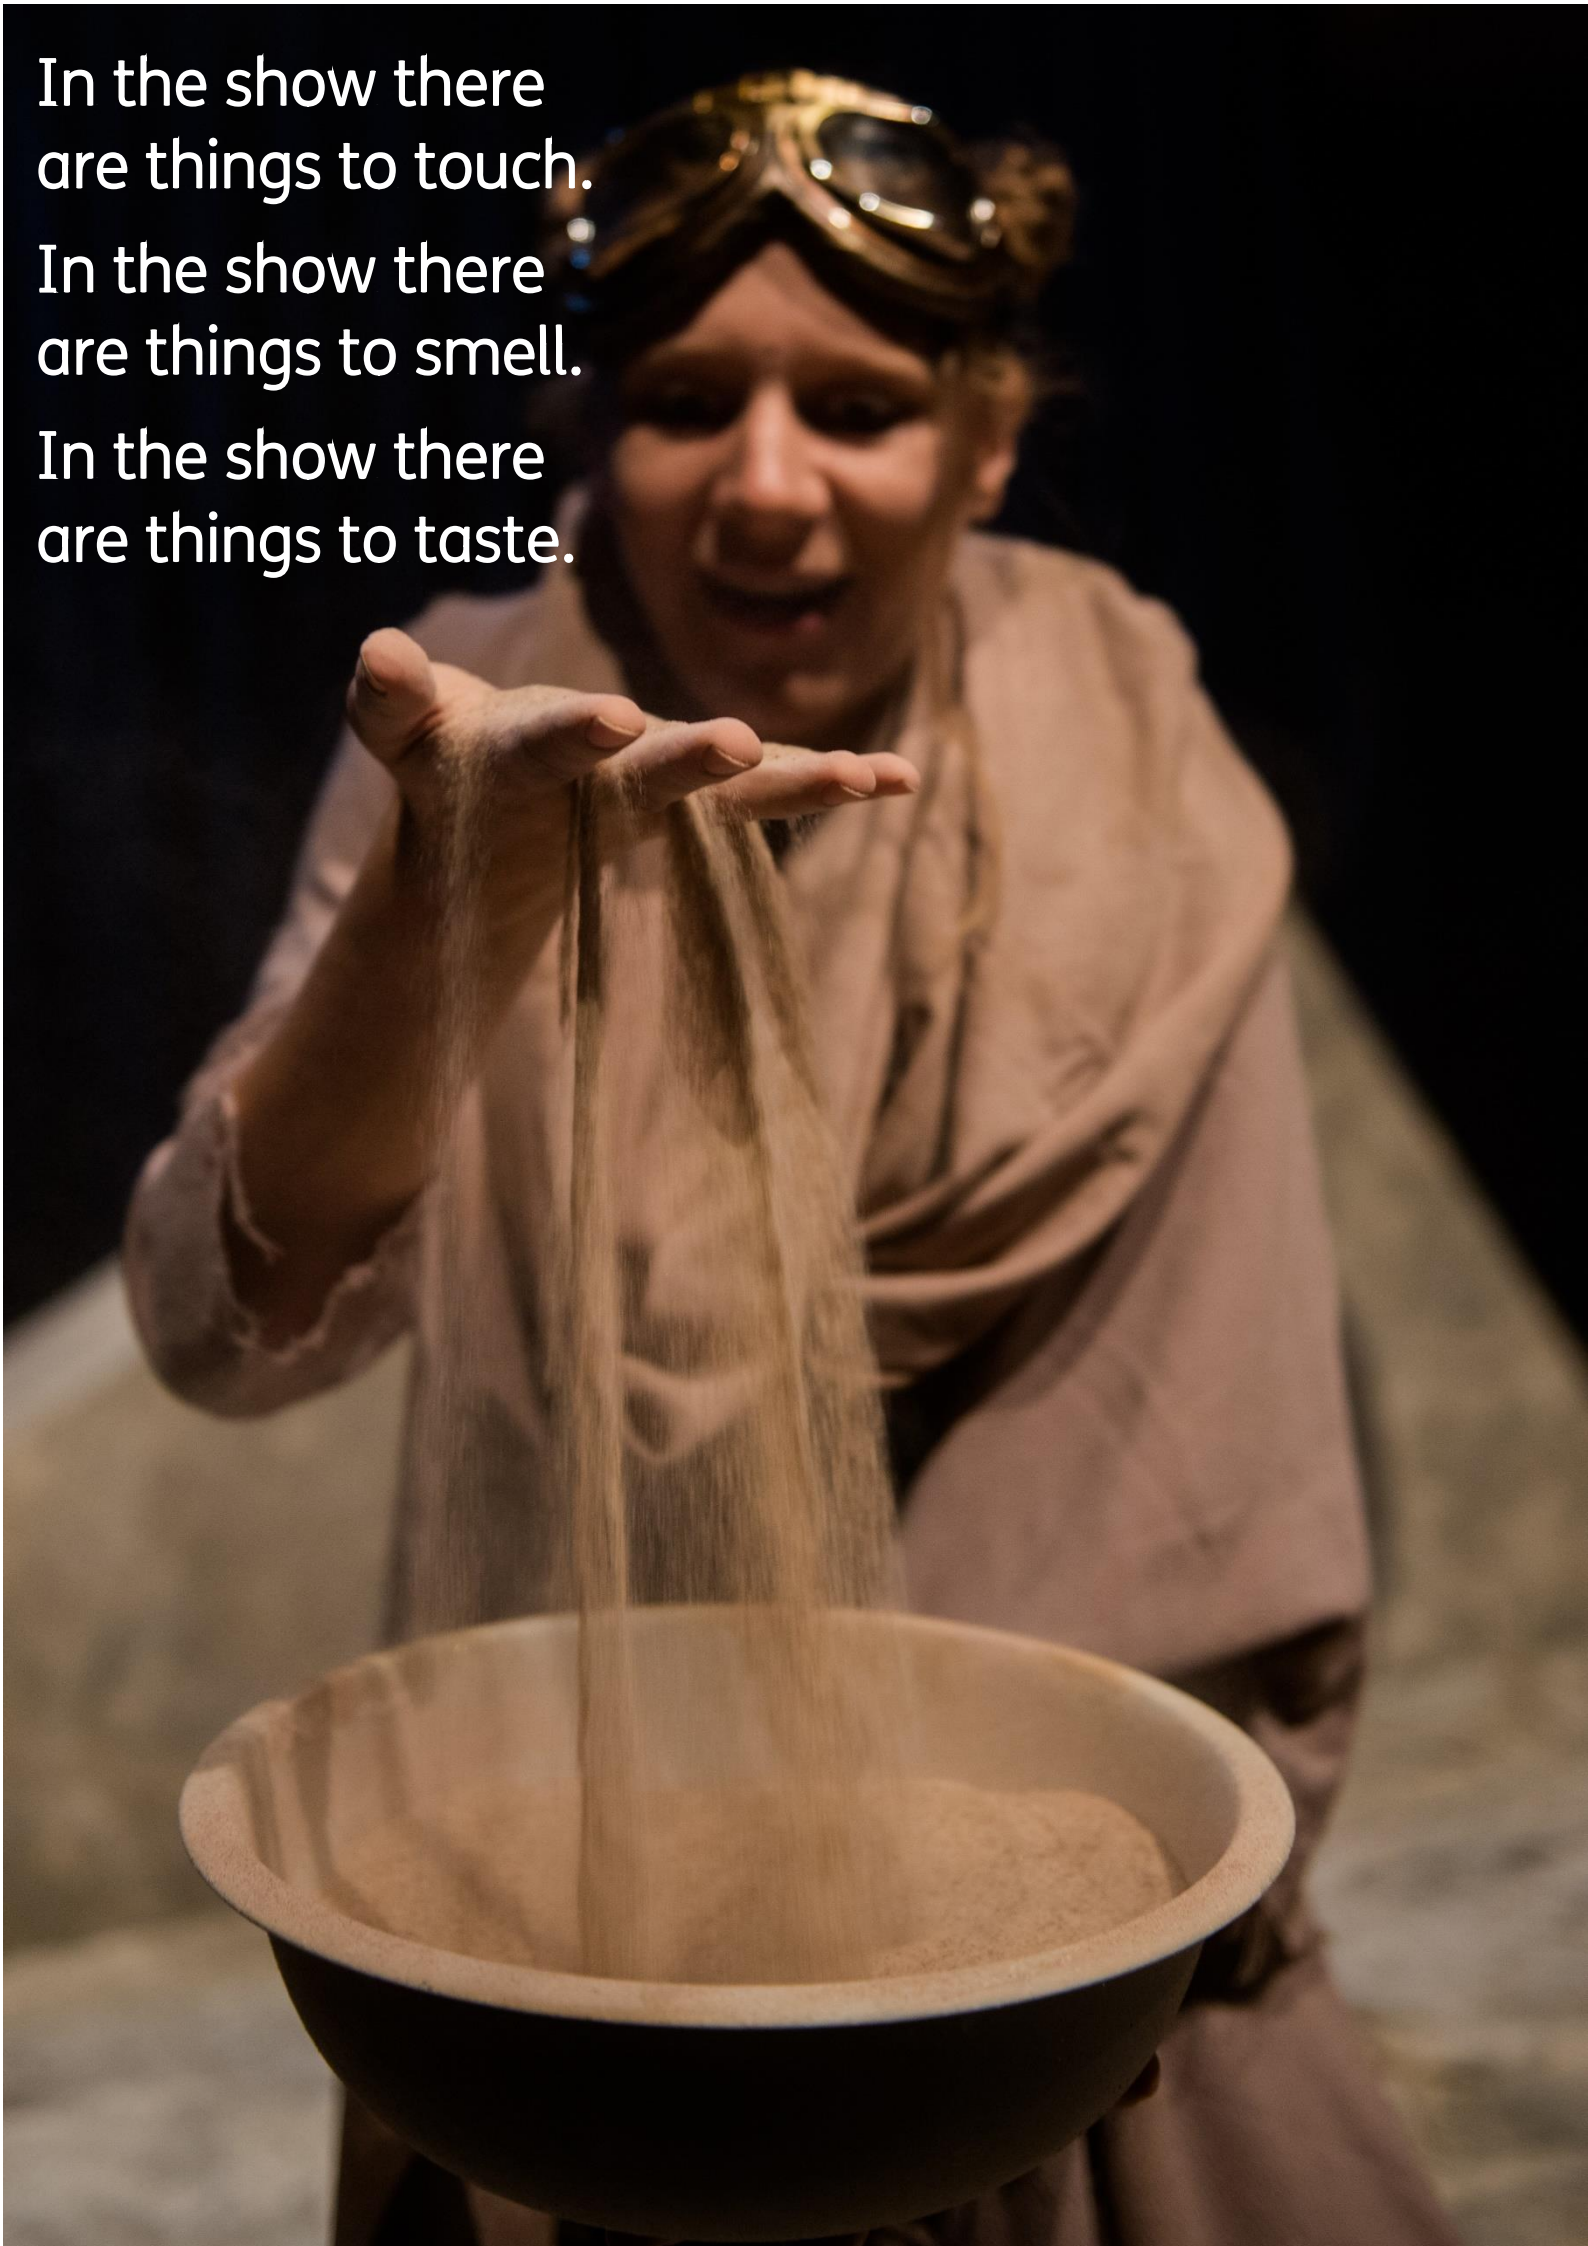

Sometimes they will sing songs.  
Sometimes they will do actions.  
Sometimes they will talk to you.

In the show there  
are things to touch.

In the show there  
are things to smell.

In the show there  
are things to taste.
